

Funding Working Group (7/17/17)

	USERS	SOCIETY	SPECIFIC BENEFICIARIES/LAND OWNERS
CURRENT	Fuel tax Registration/Vehicle fees Transit fares Rental car fees	Sales Tax Local Option Sales Tax Statewide Sales Tax Property Tax-Locals Municipal Energy Tax Telecomm. Tax Enterprise Fund/ Local General Fund	Property tax Special improvement district Tax increment financing Impact fees
CHALLENGES	Other fuel/changes in technology that aren't taxed Less fuel being taxed Alternatives have not been charged fees/taxes Federal Highway Trust Fund will continue to be an issue	Competing priorities at state <i>and</i> local levels, not all dedicated General fund may not be sustainable—remote user "Political" challenge Sales tax headroom Equity relative to socioeconomic status Determining the base Exemptions from sales tax Volatility of sales tax revenues Sales tax on food Locality How long are earmarks politically sustainable	Lease rates, structured parking Land use, zoning
OPTIONS	Road User Charge Tolling Registration, other fees for alternative fuel vehicles (electric, CNG, LNG) Private transportation service fees (Uber, Lift) Bicycle fee Parking fees for all communities Rental car fees	Road utility fees (e.g., Provo and Highland) Increase sales tax Pkg delivery charge Hotel tax Addt'l local option sales taxes Higher rate on sale of motor vehicles, parts Higher sales tax in congested areas One-time funding/bonding Preservation of earmark for trans. Taxes on Internet sales Broadening sales tax base (i.e., to services) Addressing exemptions	Property Benefits Air Easements "Smarter" development Reimbursement agreements Value capture Differential property tax rates

Assignments:

MAG, WFRC, other MPOs and UDOT and UTA work with Lewis-Young to figure out where we're at, what we're spending on each of these, and what the shortage will be by 2040

Clint Topham, Linda Hull, Kent Millington, Andrew Jackson, and Sophia DiCaro to look at RUCC, road utility fee

Richie Wilcox, ULCT (Roger Tew), and Matt Sibul to look at broadening the sales tax options

ULCT (Roger Tew or Cameron Diehl), Chamber (Abby Osborne), and WFRC (Andrew Gruber) to look at value capture

Next meeting scheduled for **August 21 from 10 a.m.-12 p.m.**
